

## Local Support Centre for the Integration of Migrants of Montijo

The Local Support Centre for the Integration of Migrants is part of a network that provides support, throughout the reception and integration process of migrants, facilitating access to the various local structures, and promoting interculturality locally.

Free support and general information in several areas, such as:

- Regularization of the migratory situation,
- Nationality acquisition,
- Family Reunification,
- Voluntary Return,
- Health,
- Education,
- Others.

If you need our help, please contact us:

Câmara Municipal de Montijo
