## RIVER CRUISES ON THE TAGUS

River cruises on the Tagus offer its visitors several points of interest on the estuary, where sea water becomes one with fresh water. On board, visitors can enjoy a unique experience, where Montijo's landscape features are revealed in detail.

During the cruises, we will also have the opportunity to watch several bird species, like flamingoes, black-winged stilts, cormorants, pied avocets, among many others.

In a group or individually, don't miss out on the opportunity to get to know the natural treasures of the Tagus estuary and the identity significance that the river holds for Montijo and its people.
